GB Athlete Visit

Last week we had the pleasure of welcoming GB athlete Rebekah Green. Rebekah is an up and coming athlete in the GB squad for freestyle kayaking. She delivered an amazing assembly which the children loved, detailing her career so far.

Thank you all for your sponsor money. This money will be split between the charity that Rebekah works for (Sports for Champions) and the school. We have raised an amazing £1106.30

Farm on Wheels

On Wednesday, the Nursery children received a visit from The Farm on Wheels. This was an excellent opportunity to finish off our farming topic. The children were able to see some real life animals that live on the farm such as; a calf, a lamb, 2 ducks (Daphne and Daisy), a hen (with 6 chicks) and 3 rabbits.

The children learnt that a baby sheep is called a lamb and a baby cow is called a calf. The children also learnt that the mother hen sits on her chicks to keep them warm.

The children were given the opportunity to feed the baby lambs using a bottle, just like if the lamb was being fed by its mum.

All the children thoroughly enjoyed the experience of stroking the baby calf and having cuddles with the rabbit.

We hope you have a lovely and safe half term holiday and we look forward to welcoming the children back to school on Monday the 3rd of June.
