## End of School Day

We are having an increase in parents and carers collecting their children early at the end of the school day.

This is disrupting the teachers, children and valuable learning time .

We understand it can be very difficult to arrange appointments out of school hours so if the appointment is within school hours, or the child needs to be collected early, then proof of appointment will be asked for.

If you wish to collect your child early without proof of appointment then the discretion to release will sit with Mrs Passey.

Thanks for your understanding.
