

CAPTAIN'S CATCH UP

Reception visit to Park Hall Farm

Reception had an exciting time learning about farm animals at Park Hall Farm. They got to learn about what animals live on a farm and lots of facts about the animals. We have also had some exciting visitors – the chicks! We will keep you updated next week on how many chicks we have.

We have been asked by the Health Protection Hub at T&W Council to send out information regarding whooping cough. There has been a continued increase in whooping cough (pertussis) cases at the start of this year. Please see recent post on school story (Dojo) for more information. Thank you.

Reminder

Early Years are on the look out for some small dollies and dollies clothes to improve their role play area. If anyone has any to donate that would be fantastic, they will be moving to a lovely new home and be well looked after and loved by our children.
