Year 5 Parent Workshop

Year 2 Dorothy Clive Gardens

Huge thank you to all that came to our D&T workshop on Tuesday morning. You and the children all did a fantastic job (much better than we could do!) and the rides look great!

Year 2 had an exciting visit to Dorothy Clive Gardens! We walked around the beautiful, colourful gardens, visited the waterfall, planted some seeds and found out all about bees and how we can protect them! After visiting the waterfall, we came home and created a diamante poem to describe the waterfall at Dorothy Clive. We all had a wonderful day out.
